

New - Ricoh GXe7700N SubliJet-R Package

SubliJet® R RICOH

The GXe7700N is the most versatile sublimation printing system to date for the Ricoh platform!

- A3 size, 4 Colour Sublimation Printer featuring a 250sheet high-capacity paper tray.
- Two Cartridge Sizes - for Low and High Volume Users
- Three Print Speeds - Classic 7000, High Resolution and Photo
- Choice Among Three Colour Management Options - PowerDriver, WinProfile or MacProfile

Now features a Network Card as standard.

SubliJet-R Sublimation Inks for the **Ricoh GXe7700N** System are available in two sizes to meet the needs of low volume and high volume users alike. Currently available, the smaller capacity of the two cartridges is compatible with both the GXe7700N as well as the GXe3300N, and is ideal for low volume users. Coming soon, the traditional high capacity cartridge is the same size as the GX7000 (but NOT COMPATIBLE with the GX7000), and is ideal for high volume production, and extended uninterrupted printing.
